Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Wednesday 05 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rather cold with scattered showers on Thursday.

This Evening and Tonight:
Showers frequent through evening, before tending to thin and become lighter overnight. Winds north to northwest occasionally strong over the Hebrides. Frost for many away from windward coasts by dawn. Minimum temperature -2 deg C (28 deg F).

Thursday:
Another day of sunshine and occasional showers, perhaps thundery during the afternoon across the south. Northerly winds strong across western coasts and Isles. Maximum temperature 9 deg C (48 deg F).

Outlook for Friday to Sunday:
Friday and Saturday brings sunshine and a few scattered showers. Gales and periods of rain spreading from the south overnight Saturday, leading to a wet and very windy Sunday.
